The Supreme Court of the United States of America is the guarantor of the respect for the American Constitution drafted in 1787 in Philadelphia by the Founding Fathers, under the leadership of George WASHINGTON.

Entered into force on March 4, 1789, it is the oldest written constitution still in force in the world. It establishes a federal State based on a strict separation of powers and a system of checks and balances.

In light of the behavior of the current President of the United States of America, Donald J. TRUMP, it is clear that the rule of law and democracy in the USA are nothing but a chimera, and that the country is in the hands of a criminal oligarchy without faith or law. The Supreme Court of the country has lost all control over its obligations to preserve the federal Constitution and is therefore complicit in the warmongering dictator whose sole purpose is to promote the growth of his family organization's assets and satisfy his disproportionate ego.

A behavior sometimes similar to that of a senile, egocentric and narcissistic man who has lost all sense of good and evil, capable of destabilizing international peace and global economies to achieve his ends. A criminal who did not hesitate to kidnap the elected leader of Venezuela (a sovereign country) to place one of his "groupies" there, in order to take control of the country's wealth, as CLINTON had done with the USSR in 1996 **https://swisscorruption.info/le-parrain**. A repeated practice for TRUMP and his clique, after the genocide committed in favor of his master, the bloodthirsty Zionist Benjamin NETANYAHU. After his threats to make Canada the 51st American state. After declaring war on Iran for no reason other than to obey his Zionist master. After threatening to integrate the sovereign state of Greenland and finally after threatening my country, Switzerland, in these terms:

« I have the absolute right to break off all commercial relations with a country like Switzerland ».

« So why are they considered a top-tier country, if I can break off our commercial relations at any time and prevent them from functioning? » (BLICK 20.08.2026).

« All I have to do is say: I don't want your watches, I don't want your products », said Trump. According to HIS calculations, the United States could thus save between 39 and 41 billion dollars. According to Trump, such a measure would imply that Switzerland goes from being an elite country to one facing serious problems.

« Fortunately for them, I'm a nice guy », added Trump (BLICK 08.07.2026).

In short: the United States finances its economy through the laundering of the FERRAYÉ royalties, threatens its allies with customs duties, and fuels the war in Ukraine to maintain its hegemony.

It is time for Europe, Switzerland and the world in general to fully apply GAFA taxes and consider the USA as their main existential and strategic long-term threat !

SOLEMN DEPOSIT OF CIVIL RESERVES

RESPONSIBILITY OF THE UNITED STATES OF AMERICA IN THE FERRAYÉ ROYALTIES FRAUD, ASSOCIATED MONEY LAUNDERING, AND THE WAR IN UKRAINE

PUNITIVE RESERVES – IMMEDIATE ENFORCEMENT IN CASE OF SILENCE

Purpose of this document:

We, the undersigned, Marc-Etienne BURDET and Daniel CONUS, acting as **co-mandataries and 50% beneficiaries of the rights of Joseph FERRAYÉ** in the context of the fraud and money laundering of the royalties on the patents for extinguishing and capping oil wells (hereinafter the “FERRAYÉ Affair"), hereby deposit these civil reserves against the **United States of America**, its **successive governments since 1991**, its **federal agencies (DEA, FED, etc.)**, its **Presidents, Secretaries of State, Attorneys General, Supreme Court Justices since 1991**, **Donald J. TRUMP, his family and his organization**, as well as any natural or legal person who participated in the fraud, laundering or cover-up of these crimes.

I. RECALL OF THE FRAUD: A CRIME COMMITTED IN US DOLLARS WITH THE COMPLICITY OF THE UNITED STATES

As early as 1991, Joseph FERRAYÉ's patents were defrauded by the French Government (then under the presidency of François MITTERRAND, with the complicity of Minister Dominique STRAUSS-KAHN, former Director of the IMF) and used in Kuwait as part of Operation "Desert Storm".
https://swisscorruption.info/introduction

The facts are documented by 189 official pieces of evidence (hearings, agreements, transfer orders, police reports, defendant hearings, recordings) available at **https://swisscorruption.info/preuves.**

The initial amount of the fraud amounts to USD 3,700 billion (1991-1992). The transfer of these funds and their laundering were carried out **in US dollars**, with the **active complicity of the DEA (Drug Enforcement Administration)** and the **blessing of the FED (Federal Reserve Bank of New York)**, as demonstrated by the "Money Plane" file **https://swisscorruption.info/moneyplane**.

II. THE ROLE OF THE UNITED STATES IN THE LAUNDERING: THE FED, THE DEA, THE CLINTON ADMINISTRATION AND THE HERMITAGE GROUP (BROWDER)

A. The FED and the DEA: criminal instruments at the service of the fraud and laundering

- **The DEA affixed its seal on fund transfers to remove them from any control (MOTTU hearing, document 166)** https://swisscorruption.info/royalties/166.pdf. Its agent **Patrick DAWSON (alias Dave ROWE)** was convicted in Switzerland for money laundering before resuming his criminal activities https://swisscorruption.info/dea.
- **The FED** printed billions of 100 USD bills to fuel daily cargo planes to Russia, supplying the **Russian Mafia and corrupt oligarchs** ("Money Plane" file, New York Times, January 22, 1996). https://swisscorruption.info/moneyplane
- **Edmond SAFRA,** owner of the Republic National Bank of New York (RNB), close friend of Geneva lawyer Marc BONNANT, was the main channel for transferring royalties to the United States https://swisscorruption.info/swissleaks.

B. Le The Hermitage Group – Bill Browder: laundering to destabilize Russia

William (Bill) BROWDER, co-founder in 1992 (at the very time of the royalties fraud) with **Edmond SAFRA** and **Beny STEINMETZ** of the **Hermitage Capital Management investment fund,** was one of the main beneficiaries of this laundering. He used these funds to attempt to take control of the Russian economy (GAZPROM, YUKOS, etc.) with the blessing of the **CLINTON administration** https://swisscorruption.info/le-parrain.

When Vladimir PUTIN put an end to this looting of the jewels of the former USSR in 2000, BROWDER became Russia's sworn enemy. He is now President of the **Helsinki Commission**, funded by the US Congress, and is leading a crusade against Switzerland and Russia to avenge the loss of his billions https://swisscorruption.info/browder.

C. The war in Ukraine: a direct consequence of this laundering and a source of profits for the USA

The continuation of the war in Ukraine, orchestrated by NATO under the tutelage of the USA and the United Kingdom, is essential for the United States to:

1. **Maintain the dollar as the world's reserve currency by forcing Europe to buy dollars to finance the war effort**.
2. **Feed the military-industrial complex by selling weapons on credit to European countries, which will then pay in dollars**.
3. **Undermine the European economy** to weaken its competitors and strengthen American domination (as recognized by former US Secretary of State Victoria NULAND: *"the European Union would be better off minding its own business"* – source: interview with David IGNATIUS, Washington Post, February 5, 2015)

The customs duties imposed by Donald J. TRUMP on Switzerland and the rest of the world are part of this same logic: punishing countries that do not submit to the American diktat (39% customs duties), including by threatening Switzerland with economic sanctions (current public statements by Donald J. TRUMP cited above).

III. THE CIVIL LIABILITY OF THE UNITED STATES: PRINCIPAL, INTERESTS AND PUNITIVE RESERVES

A. The principal damage (based on the civil liability invoice)

The laundering of the FERRAYÉ royalties is currently estimated at **CHF 89,660.11 billion** (eighty-nine thousand six hundred sixty billion Swiss francs), according to the invoice updated as of September 30, 2026. https://swisscorruption.info/responsabilites/#facture.

B. Punitive reserves (exemplary sanctions)

Given the **active and systematic complicity** of the American authorities, who never investigated despite three official complaints (2015, 2016, 2026), and the **use of the dollar** as a laundering instrument, we add **punitive reserves** corresponding to **200% of the principal damage**:

CHF 89,660.11 billion × 200% = CHF 179,320.22 billion
Total civil reserves (principal + punitive):
CHF 268,980.33 billion (two hundred sixty-eight thousand nine hundred eighty billion CHF).

This amount may be revised upwards depending on the evolution of the damage, the behavior of US judicial and political authorities, and new revelations.

IV. PERSONS AND ENTITIES TARGETED BY THE CIVIL RESERVES

These reserves are deposited against:

Category	Persons / entities
Successive Governments	George H.W. BUSH, Bill CLINTON, George W. BUSH, Barack OBAMA, Joseph BIDEN, Donald J. TRUMP – all members of their Cabinets, Secretaries of State (Madeleine ALBRIGHT, Colin POWELL, Condoleezza RICE, Hillary CLINTON, John KERRY, Antony BLINKEN, Marco RUBIO, etc.), Attorneys General (Janet RENO, John ASHCROFT, Alberto GONZALES, Loretta LYNCH, William BARR, Merrick GARLAND, Pam BONDI, etc.).
Supreme Court Justices	All Justices who have served since 1991, particularly those appointed by Donald J. TRUMP, for having allowed the White House to violate the Constitution without acting.
Federal Agencies	DEA (Drug Enforcement Administration), FED (Federal Reserve Bank of New York), FINCEN, Department of State, Department of Defense, CIA.
Donald J. TRUMP, his family and his organization	Donald J. TRUMP, Melania TRUMP, his children (Donald TRUMP Jr., Ivanka TRUMP, Eric TRUMP, Tiffany TRUMP, Barron TRUMP), the Trump Organization (Trump Taj Mahal, etc.), and all entities that benefited from the laundered funds (notably via Bankers Trust, Citibank, etc.).
William BROWDER, his associates and Hermitage Capital	William BROWDER, Beny STEINMETZ, Hermitage Capital Management, all their associates and beneficial owners.
American banks	Republic National Bank of New York (RNB), HSBC, Bankers Trust, Citibank, JPMorgan Chase, Goldman Sachs, etc.
Audit firms	Ernst & Young, KPMG, Deloitte, PwC, Arthur Andersen, BDO, etc. (having planned the laundering). **Their inaction constitutes passive complicity** and their ratings are no longer credible but on the contrary dangerous for investors.
Rating agencies	S&P, Moody's, Fitch, Scope, Dagong (informed of the laundering and having closed their eyes until now).

V. THE WAR IN UKRAINE AND CUSTOMS DUTIES AS AN EXTENSION OF THE FRAUD

A. The war in Ukraine: an extension of the laundering

The US government, under the control of the deep state, uses the war in Ukraine to:

1. **Maintain the dollar as the world's reserve currency –** by forcing Europe to buy dollars to finance the war effort.

2. **Feed the military-industrial complex –** by selling weapons on credit to Ukraine, the debts of which European countries will have to bear and pay in dollars.
3. **Undermine the European economy – to weaken its competitors**.

Consequence: the war in Ukraine is not an operation to defend democracy. It is an **operation to maintain American hegemony,** financed in part by the laundering of the FERRAYÉ royalties.

B. Customs duties against Switzerland

The customs duties imposed by Donald J. TRUMP on Switzerland (39%) were an **act of economic blackmail** aimed at punishing a country that refuses to submit to NATO, to support Ukraine, and to vote against Russia at the UN (cf. resolution of December 16, 2021 condemning Nazism, where Switzerland abstained, **the USA and Ukraine voted against** https://swisscorruption.info/confederation-ch/#nazisme.

Consequence: the United States uses its economic power as a weapon of retaliation against sovereign countries, in violation of international law and WTO rules.

VI. CONCLUSIONS AND NOTICE

Consequently, we solemnly put the Supreme Court of the United States, the Government of the United States, and all American authorities on notice to:

1. **Officially recognize** the responsibility of the United States in the fraud and laundering of the FERRAYÉ royalties.
2. **Open an investigation** into the roles of the DEA, the FED, the White House, and all identified actors.
3. **Immediately seize** all assets of Donald J. TRUMP, his organization, his family, and all other targeted actors, for the amount of **CHF 268,980.33 billion. This seizure must apply to all assets of the TRUMP family worldwide, including its properties in Scotland, Ireland and the United Arab Emirates (Dubai, etc.)**
4. **Reform** the American judicial system to ensure that such crimes do not recur.
5. **End** the war in Ukraine, cease threats against Switzerland, and restore fair commercial relations with sovereign countries, without blackmail or punitive customs duties.

Deadline: 20 days from the notification of this document.

Conséquence du silence ou du refus :

After this deadline, the civil reserves will be **enforceable by operation of law**. We will refer the matter to the **International Criminal Court**, the **UN Security Council**, and all competent international bodies to have the moral and financial bankruptcy of the United States established.
